CONROY.

Until Conroy was credited with the unprecedented feat, for a three-year-old, of winning the Brooklyn Handicap, his chance for American Derby honors was lightly estimated. But the decision of the Brooklyn made it plain that he was in the first flight and sure to be a formidable factor if his owners should decide to send him out to try for the chief three-year-old race of the American turf. It is reported that he has become slightly lame from stepping on a stone recently but it is nothing of serious import and he will probably be sound and well long before the day on which the big race is to be decided.

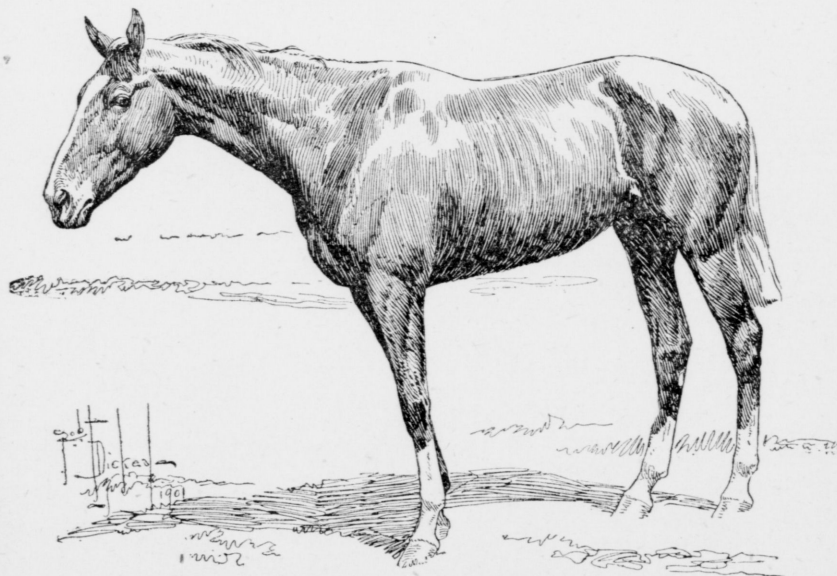

Conroy was a good two-year-old. He did not ripen early and was not sent to the post until August 29, when he was started in the Dash Stakes, five furlongs, at Sheephead Bay. The starters and weights were Bellario, 104 pounds; Conroy, 108; Elizabeth M., 107; Far Rockaway, 127; Lady Schorr, 124; King Pepper, 110; Add, 102; Cresson, 104; Drogheda, 104 and June Gayle, 115. Conroy did not win, but he made an excellent impression by running second to the good colt Bellario in 1:00%, beaten two lengths and finishing a head before the fast filly Elizabeth M. This promising debut he confirmed two days later by winning the Sapphire Stakes, at five and one-half furlongs, done in the fast time of 1:06%. The starters were Conroy 109 pounds; Bellario, 125; Six Shooter, 109; King Lief, 125; Sharpshooter, Cornelian and Advocate 108 each and Guess Work, 105. Conroy won handily by a length and a half, Bellario defeating Six Shooter a length for second money. Conroy was the favorite at 6 to 5.

So far Conroy had raced with substantial allowances of weight off, but when he ran for the Autumn Stakes, September 3, he showed that he could carry high weights and run fast. Only four started, Longshoreman, 108 pounds; Conroy, 122; Far Rockaway, 129, and Smile, 108. Tod Sloan rode Longshoreman in masterly fashion and landed him the winner by a length, with Conroy second, a head in front of Far Rockaway. Time for the six furlongs, 1:14%. It was an excellent race, marked by heavy betting and fine jockeyship. His next start was for the Great Eastern Handicap, September 8. In this he finished next to last, because Spencer eased him up in the stretch when he found him to be surely beaten. The race was won by Beau Gallant, 107 pounds, in the exceedingly fast time of 1:12%, Dublin, 113, finishing second, and Far Rockaway, 121, third. The other starters were Smile, 109; Autolight, 105; Beau Ormonde, 104; Alard Scheck, 123; Dr. Barlow, 103; Blues, 125; Colonel Padden, 99; Lady Schorr, 115, and Conroy, 110. Conroy was third into the stretch and could have finished in the front division beyond doubt.

Conroy's next start was at Gravesend, September 15, in the Holly Handicap, at five and a half furlongs. The starters and weights were: Conroy, 115 pounds; Dublin, 113; Bellario, 126; Water Color, 117; Silverdale, 110; Fake, 105; Autolight, 100; Beau Gallant, 117; Princess Pepper, 103; Anecdote, 100, and June Gayle, 100. It was no slight performance to lead this fine field to the winning mark, yet Conroy was first in a tremendous finish, in which the order was Conroy, Dublin, Bellario, Water Color and Silverdale, all heads apart and doing their utmost. The time was 1:07%, exceedingly fast for the slow Gravesend course. After this race it was almost a month before he was started again. This was at Morris Park, October 13, when he went to the post for the Champagne Stakes at seven furlongs. The starters were: Garry Hermann, 117 pounds; Smile, 107; Water

Color, 125; Conroy, 122; Advocate, 107; Handwork, 117, and Criterion, 112. Garry Hermann won by a head from Smile, he three lengths before Water Color. Conroy was a tired fourth, not being at concert pitch for such a long race. He led for most of the route, but tired in the stretch drive. The time was fast, 1:27%.

His last race as a two-year-old was for the White Plains Handicap. This was also at Morris Park over the Eclipse Course, October 20. The starters were Conroy, 116 pounds; Garry Hermann, 123; Silverdale, 116; Alard Scheck, 123; Water Color, 119, and Maximus, 105. Conroy won by a length and a half from Garry Hermann, he leading Silverdale a length. The time was 1:11% and Conroy went into winter quarters with flying colors and the well earned reputation of being one of the good two-year-olds of the year. His record of this year is of too recent achievement to require recounting. He is said to be one of the most beautifully turned and aristocratic appearing colts seen in many years, and that he is a grand racer none can doubt. It is to be hoped that he will be seen at the post when fifty thousand people will gather at Washington Park to hail the winner of the American Derby of 1901.

CONROY, CH. C. BY ST. LEONARDS—LADY INVERCAULD.

NOTES OF THE TURF.

Says the San Francisco Chronicle of last Tuesday. "Announcement was made at the Oakland track yesterday that the racing season for 1900-1901 would be brought to a close on Saturday, June 15th. This information will be read with pleasure by everyone who has the welfare of California racing at heart. The present season has been altogether too long, but the management promises but 150 days in 1901 and 1902, and in future years it is contemplated to cut the season to 130 days."

Canmore worked a mile at Washington Park Friday in 1:46. He and Sannazaro are the two most prominent Derby candidates already quartered at the track. Quite a number of horses have been given stable room, the American Derby winner of 1898, Pink Coat and Brown Dick's crack 2-year-old Pentecost being among the recent arrivals.

President H. I. Wilson of the Montana Jockey Club has purchased the speedy St. Carlo filly Parizade for \$1,500.

Friday ex-Jockey Ed Cassin bought from H.

T. Griffin the two-year-old colt Red Tip, by Order—Zantippa.

AMERICAN DERBY BETTING.

The following are the principal bets made in James O'Leary's American Derby book during the past week. The eastern bettors have gone to the best eastern candidates good and strong. Articulate \$12,500 to \$250, from San Francisco. Alard Scheck \$8,000 to \$400, from Chicago. Benckart \$10,000 to \$100, from Toronto, Can. Bonnibert \$7,500 to \$300, from Brooklyn, N. Y. Criterion \$7,500 to \$250, from New York City. Conroy \$24,000 to \$3,000, from New York City. Commando \$36,000 to \$6,000, from New York City.

Far Rockaway \$30,000 to \$1,000, from Saratoga, N. Y.

Henry Burt \$15,000 to \$200, from Indian Territory.

Hernando \$20,000 to \$500, from Chicago.

Joe Frey \$12,000 to \$400, from St. Louis.

Operator \$9,000 to \$300, from Chicago.

Outlander \$15,000 to \$500, from Coney Island, N. Y.

Rolling Boer, \$20,000 to \$500, from Chicago.

Six Shooter, \$17,500 to \$175, from Chicago.

HARLEM TOMORROW.

The Harlem Jockey Club's spring meeting, which lasts eleven days, will open Monday, and with some real summer weather the Proviso race course should present an unusually attractive appearance, for many thousands of dollars have been spent on improvements in beautifying the grounds since the gates were closed last fall, and there is every prospect for an excellent meeting.

The first day's card embraces seven races of the total value of \$3,200. One of these is a steeplechase handicap over the short course for a purse of \$500. The principal race of the second day, Tuesday, has a \$1,000 purse for three-year-olds, one and one-sixteenth miles; weights 115 pounds with penalties and allowances. Wednesday will bring Harlem's first stake event, the Petite Stakes, \$1,200 added, entrance \$10 each, \$50 additional to start, for two-year-old fillies at four and a half furlongs. Among the entries for this stake are Endurance By Right, Autumn Leaves, Hoodwink, Barouche, Drummond, Mabel Winn, Plum Tart, Lass of Langden, and many others of fair class. The same afternoon an owner's handicap one mile will be run for a purse of \$600. The principal event on Thursday is a handicap for three-year-olds and upwards over one and one-eighth miles. Two more steeplechases will be run during the week, one on Wednesday and one on Friday. The feature race on Saturday will be the M. Lewis Clark Stakes, one and one-eighth miles, for three-year-olds, \$2,000 added, \$60 to start in addition to the original entry fee of \$10. As seventy-eight entries were received for this stake and the number of starters probably will be close to a dozen it will be quite a valuable race and is likely to bring out a number of colts whose names have often come into public mention as American Derby candidates. The fact that the conditions for the M. Lewis Clark Stakes were so framed that the winner will not incur any penalty for the American Derby should have a tendency to increase the size of the field.

W. B. Jennings' Canmore may make his first appearance on a Chicago race track in this race. So probably will Rolling Boer, Golden Age, His Eminence and Brutal. Besides these several Derby colts which already have run here this spring may go to the post.

The features of the second week of the meeting will be the Graduate Stakes, for two-year-old colts and geldings, \$1,200 added, to be run on Tuesday, June 18, and the Austin Selling Stakes, for three-year-olds and upward, \$1,500 added, one and one-sixteenth miles. In the book for the second week Secretary Nathanson has arranged a race at one and one-quarter miles, open only to horses nominated in the American Derby. The conditions of this race are identically the same as for the American Derby except that the weights will be seven pounds below the scale. This arrangement and \$1,000 added money should bring to the post an acceptable field.

It has been started that Corrigan, the great California colt owned by Burns & Waterhouse, has no stake engagements at Harlem, whereas in truth he is entered in all Harlem's two-year-olds stakes for which he is eligible.

A new covered walk solidly built with hardwood and four hundred feet in length has been constructed from the Twelfth street entrance to Harlem Park running to the grand stand. Along the four acres of lawn flowerbeds have been laid out at the north end of the stand and beautified with trees and shrubs. John Thorpe, whose artistic landscape gardening has done much to beautify this race track, says that 4,000

Winner—B. g. by Jim Gore—Melody.
Went to post at 2:30. At post 12 minutes. Start fair. Won in a canter; second handily. Harry Beck was easily the best, and came away at the head of the stretch when called upon. Hans Wagner was the best of the others. McChesney ran an improved race and should do better at the next asking. Dougherty had a lot of speed after he got clear sailing, but died away in the stretch. Mitchell could not help I. Samuelson a bit. The colt is capable of a better showing, and allowance should be made for the weak ride he got.

Winner—B. h. by Iroquois—Bracelet.
Went to post at 3:05. At post 2 minutes. Start fair. Won in a canter; second easily. Bangle went to the front after the half had been reached and was never in trouble afterward. Algareta ran a surprisingly good race, especially for the distance, as she has always been thought a sprinter. She showed unusual gameness in the last sixteenth. Livadia stopped palpably the last sixteenth and is not quite herself. Adelanto went all to pieces in the last eighth after showing well for six furlongs. Jiminez, cut off at the first turn, ran around his field and showed prominently to the half, but fell out of it after passing beyond that point. Jones could not do him justice at all and the race should be thrown out in future calculations.
Scratched—25745 Wild Pirate, 103; 25674 Trinity Bell, 100.

Went to post at 3:35. At post 2 minutes. Start good. Sallust easily galloped home after the tenth jump. Isen was running head and head with Sallust at that point, but fell. His jockey remounted and finished second. Frond ran outside of the flag after taking the water jump, was taken back and finished third. Tommy O'Brien ran out at the same spot that Frond missed, but was taken back and finished. Coronatus ran out at the seventh jump and did not finish.

Went to post at 4:00. At post 1 minute. Start good. Won handily; second the same. J. V. Kirby, well ridden, avoided the early pace and came away in the last sixteenth like a high class colt. Doreen was rank but weakened when J. V. Kirby got to her. Pronta was right there to the last sixteenth but fell away when the pinch came. She fouled Herodiade in the last sixteenth and was set back; the former getting third money. Herodiade was pocketed to the head of the stretch but could not run a little bit when he got clear. Miracle II. ran his race.

Went to post at 4:30. At post 4 minutes. Start good. Won in a long drive in the last eighth; next three driving. Wild Pirate moved up just before entering the stretch and, skinning the inside rail, nailed Lady Schorr at the last eighth. From there to the wire he had the foot of her. She ran her race, but could not concede the weight to the winner. Ben Chance ran a splendid race and closed strong. He saved ground by hugging the rail. Merito stopped badly in the last eighth. Robert Waddell has gone back and is in need of a rest. Star Chamber ran a dull race and stopped all over in the last eighth.

NOTES OF THE TURF.

Terminus may start in the American Derby after all. He is to be brought out to Detroit to fill his stake engagements at the Highland Park meeting, which opens next Wednesday, and if he does well there he will probably be brought here in time to start in the big Washington Park race.

Acting, it is said, for Clarence Mackay John Hanning has purchased for \$6,000 the black two-year-old colt Grand Opera, by Wagner—Bonnie Bird. The colt has never started, but is highly tried and heavily engaged. He is entered in the Kenwood and Hyde Park Stakes at Washington Park.

The total money won by the horses during the two weeks of racing at Hawthorne foots up the neat sum of \$38,200.

HARLEM TOMORROW.

Continued from First Page.

shrubs and nearly twice that number of plants have been used in beautifying Harlem this spring, not to mention several hundred young trees which have been planted out on the lawns and all around the track itself. The famous landscape gardener also is very proud of the golf course which he has laid out in the infield. The bunkers are planted with flowers, red and yellow, the colors of the Harlem Jockey Club and in the hazards tan bark is used instead of the customary sand. Virginia creepers have been planted to twine over the jumps of the steeplechase course and in order to avoid dust as much as possible, all roads and paths in the Harlem Park enclosure are being laid with tanbark.

The paddock and paddock buildings are unchanged except for new paint on the latter. Paint also has been used with a lavish hand on the grandstand and all other buildings. Generally the colors used are the Harlem red and yellow. But the interior of the high roof of the betting ring has been done in a pretty and cool-looking light blue. Many other minor changes and improvements too numerous to mention have been made, and when the gates are thrown open to the public tomorrow noon the entire plant will present a spick and span appearance. Banks Cregier's orchestra will furnish music each afternoon.

The track itself is reported in first-class condition and trainers say they have worked horses half-miles in :48 seconds and even a shade better. This is attributed somewhat to the successful new drainage system which has been put in under the homestretch, beneath which four miles of tile pipes have been laid longitudinally and across the track at every eight feet. Mr. Condon is so well pleased with the success of this scheme that he intends to continue it all the way around the track.

LADY SCHORR BEATEN.

There was a big crowd out yesterday at Hawthorne despite the unseasonably sharp and cool weather. Betting was very heavy, especially on the stake race and handicap.

Pat Dunne's good colt, J. V. Kirby, took the Juvenile stakes in impressive style. He was well ridden, and when called upon easily disposed of Doreen in the last eighth. The latter has a great turn of speed, but is faint-hearted. Herodiade's race was a disappointment.

Lady Schorr succumbed to Wild Pirate who beat her a neck on the post in a desperate drive. She could not give the weight away but showed great courage and gameness and proved herself a high class filly. Robert Waddell has trained off and is apparently in need of a rest. Ben Chance ran the race of his life and was right there at the finish.

Federal won a well deserved race over Winter in the final dash. The steeplechase was a comedy of mishaps, every horse either running out or falling except Sallust who simply galloped at ease over the course after taking the last jump. Frond cut a tendon in a fore leg after taking the water jump and will be laid up for some time.

Jockey Sutherland was suspended indefinitely for his ride on Coronatus.

JOCKEYS HANDICAPPED.

DAILY RACING FORM will from now on publish each week a table of the rating of the jockeys riding at each track based on their performance in the saddle. The best riders at each track will be given the uniform rating of 100, and from that point the others will be graded down according to their estimated relative skill. For a difference of five points between the jockeys a corresponding five points change in the handicap figures assigned the horses in any race must be made. Only riders frequently in the saddle will be given a place in the tables. The following is the rating of the jockeys now riding over the various tracks:

GOLD BRICK INFORMATION

Is easily obtained, but a very costly investment. Have you tried it? Information from the RIGHT people is expensive but profitable. I pay an amount that enables me to obtain (privately) information from two of the best posted trainers in the middle west, racing at St. Louis and Chicago tracks, who are in a position to KNOW when the horses from certain stables are RIGHT to bet on. I am wired from three to six bets weekly between the two cities. I wire responsible bettors this information for a percentage of net weekly winnings. NO MONEY IN ADVANCE, but a legitimate and profitable business proposition to responsible parties. If interested write for full particulars to

"YOUR HONOR"

is all I want. If you wish "genuine reliable" information I will wire you my "SPECIALS"—seldom over two or three horses a week, but they are the "real article." Wouldn't you prefer playing twice a week, and CASH REGULARLY, to playing every race and losing? When I wire you can bet your money with WINNING CONFIDENCE. My terms are that you must bet \$2 for me and remit me my part. Also that in your first letter you must enclose 25c to guarantee me against loss by refusal of telegrams.

Winner—B. c. by Goldfinch—Red Spinner. Went to post at 2:42. At post 8 minutes. Start good. Won handily; second easily. Gold Spinner performed like a stake colt and was probably best, although lucky throughout. The first three outclassed the field. Outlander was pocketed in the worst going on the rail to the stretch and found an opening too late to overhaul the winner. Isia broke slowly and was carried wide, but put up a game finish. Tinge closed a big gap. Himself, badly handled, finished strongly. Prince Richard and Dublin were handicapped by the cuppy going. Both must have a fast track. Margravate on the other hand found the track too dry, must have real mud to show at his best.

Scratched—25618 Sanders, 127; 25020 Water Color, 124; (24847) Sweet Lavender, 114; 25712 All Gold, 113; 25758 Oliver Mc, 102; (25060) May W., 102; (25220) Pigeon Post, 100; 25715 Lady of the Valley, 97; 25547 Ladice, 96; 25712 Fabius, 95; 22187 Sweet Tooth, 93.

Overweights—Tinge, 1 pound; Prince Richard, 4.

Time, 2:54½, 51½, 1:16½, 1:43½, 2:09½.

Winner—Br. h. by Strathmore—Ovation. Went to post at 3:20. At post 3 minutes. Start good. Won easily; second driving. Andronicus found the distance and slow track just to his liking and was able to show his best form. Sadie S. waited on the pacemaker under a pull for the first mile, but failed to make good in the stretch and was unable to concede such a big lump of weight to the winner. First Whip, at a disadvantage in the going, put up a grand race. Sidney Lucas showed his recently developed tendency to quit when going a distance. All Saints, a good filly and a stayer, never had much chance with her jockey. Rochester must have a sloppy track to show at his best.

Scratched—25797 Latson, 112; 25683 Lanceman, 106; 25712 The Regent, 105.

Andronicus, show, evens. Sadie S., show, evens. First Whip, show, 3 to 5. Sidney Lucas, show, 2 to 5.

25822 THIRD RACE—5-8 Mile. 2-year-olds. Allowances. The Great American Stakes. Value \$12,500.

Time, 1:23½, 24½, 37, 49½, 1:02½.

Winner—Ch. f. by Sir Dixon—Bonnie Blue II. Went to post at 3:55. At post 4 minutes. Start good. Won ridden out; second driving. Blue Girl received a lucky start and first class handling and this combined with some rough riding won for her. She is certainly a great filly. Nasturtium, inefficiently handled, was easily best but was buffeted about from start to finish to such an extent that he really had no chance. His race was phenomenal. Major Daingerfield also suffered at Burns' hands on the turn and ran a fast and game race. Golden Cottage bore out in the last sixteenth carrying Saturday with him. The latter closed a big gap and was running stoutly at the end and wants a route. Whiskey King was evidently at a great disadvantage on the slow track. He had worked for this race in 1:00½. He tired badly in the last furlong. The Goldfinder tired in the last quarter and was eased up at the end.

Scratched—(25161) Cunard, 129; 25682 Peninsula, 115; 24037 Mott Neata, 115.

Blue Girl, show, 6 to 5. Nasturtium, show, out. Major Daingerfield, show, 24 to 1.

25823 FOURTH RACE—1-16 Miles. 3-year-olds. Allowances. The Broadway Stakes. \$1,500 added.

Winner—B. c. by Longstreet—Pretense. Went to post at 4:30. At post 1 minute. Start good. Won easily; second the same. The Parader was not extended, won without much effort and far outclassed the field. For the state of the track the race was a very fast one. All Green was unable to live with him at the pace, but hung on gamely.

Scratched—25715 Janice, 111; 25683 Gold Heels, 111; (25656) Dr. Barlow, 111; (25801) The Rhymer, 106; 25654 Belvino, 106; (25717) Alfonso, 106; 25822 Sadie S., 101.

Winner—B. g. by Star Ruby—Baby. Went to post at 4:55. At post 8 minutes. Start fair. Won easily; second the same. Honolulu was best, showed the most speed and the track suited him. Man o'War got a lucky start, showed much speed and stuck it out well. He should improve steadily, as he still looks big. Step Onward finished well. The others are moderate.

Scratched—25716 Rightaway, 109; 25682 William H., 107; 25714 Rossignol, 106; 25610 Misleader, 102.

Winner—Br. c. by Belvidere—Vintage. Went to post at 5:30. At post 2 minutes. Start good. Won easily; second driving. Belvino outclassed the field. He is sluggish and heavy headed and was handicapped by the jockey. Anna Darling was favored by the cuppy track. Blue Victor ran a fine race and closed strongly in the stretch. Dr. Preston may have been at a disadvantage on account of the state of the track. He certainly lacked speed in a marked degree. Carnelian will be heard from soon. He showed speed for six furlongs.

Scratched—25654 Ethics, 112; Emporium, 112; 25755 Bluff, 112; 25511 Street Boy, 109; 24847 Lady Chorister, 107.
